

Amadeus Cars Easy Shopper

Distribution & Content

Discover the real potential of car rental with Amadeus Cars Easy Shopper. Designed specifically for the leisure market and offering instant access to the pre-paid rates your customers demand, it's the car rental product you've been waiting for. Love cars, love Amadeus and seize the opportunity to steer your way to success.

Leisure car rental

Today's leisure traveller expects a wide choice and good value. With Amadeus Cars Easy Shopper you'll be able to offer exactly this. Our rates are 'fully inclusive' meaning your customers can be sure of getting the best car rental prices available with no hidden extras, and you'll have the reassurance of rates direct from the leading brokers and car rental companies.

Easy comparison

With Amadeus Cars Easy Shopper you will be able to compare the pre-paid rates from car brokers and car rental companies offering leisure rates in one display, ensuring your customers always have access to the most attractive rates. Cars Easy Shopper currently features car broker holiday autos.

Improve commissions

Booking with Amadeus Cars Easy Shopper means collecting your commissions early, even before your customer collects their car. In fact, by selling car rental services with Amadeus Cars Easy Shopper you'll not only collect commissions early but selling car rental will become so easy your commissions are sure to improve dramatically.

In a comparison with four provider websites **Amadeus Cars Easy Shopper required significantly less mandatory fields and clicks.** An in-house useability study (Dec 2006) **compared Amadeus Cars Easy Shopper to four** of the major car rental provider websites for a standard booking.

- > Access to pre-paid rates not previously available via GDS
- > Increase productivity with faster booking process
- > Offer an enhanced service with e-voucher and e-mail confirmation
- > Avoid time spent on calls and searching the web

Quick and easy

Amadeus Cars Easy Shopper has been designed to be quick to learn and easy to use with no training required. Booking and searching car rental follows a logical and simple process using an intuitive graphical user interface. The streamlined booking workflow will ensure significant productivity improvements. This means you can save time, money and energy because you no longer have to phone call centres or search the web looking for the best pre-paid rates.

Booking car rental has never been easier. With Amadeus Cars Easy Shopper no formal user training is required and the intuitive graphical user interface guides users through the real-time availability of multi-provider content. The search display information is presented in a clear and structured manner with just the key information shown (total price, car type, transmission, provider, AC). All the rates are fully inclusive meaning there will be no hidden extras on arrival so you'll never have to waste time on the phone or internet looking for the best pre-paid rate for your leisure customers.
