## Partnership

Amadeus and Baltic Clipper BCD are like colleagues and this helps us achieve the best results at work. Our partnership with Amadeus is based on mutual trust and understanding and we're very happy with that. It's also a pleasure to deal with Amadeus people as they are always very professional in their approach. Furthermore, Amadeus' global knowledge and international experience add extra value to our partnership, helping us deliver high quality services to our customers and better plan our company's development strategy.
