Amadeus Hotel Store

Amadeus Hotel Store offers you an integrated solution at the point-of-sale that provides access to over 50,000 properties of hotel consolidator content to widen your choice of hotel properties and delivers you upfront commission.

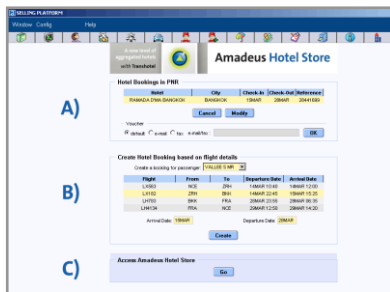

Amadeus Hotel Store can be accessed via the tab with a blue hotel icon in your Amadeus Selling Platform.

BASIC FUNCTIONALITIES

ACCESS

1. First **create a basic PNR** with your primary booking OR open an existing PNR.
2. With the PNR open, **go to the Amadeus Hotel Store**. The first time you access, you will be requested to accept the terms and conditions, just like any other booking website.
3. You can now:
 - a. **View your active Amadeus Hotel Store reservations.** By selecting a booking, you can either modify, cancel or re-issue the voucher of this reservation.
 - b. **Create an Amadeus Hotel Store reservation based on flight details** in the same active PNR. The city, arrival and departure data can also be modified from this screen. Clicking on "create" will lead you to the search page, with all information pre-filled.
 - c. **Access Amadeus Hotel Store directly** to access all Amadeus Hotel Store functionalities (ie: create new booking, cancel, modify, search booking, search invoices, commissions, etc.)

2.

CREATE

You can create your hotel reservation either based on the flight data of your primary booking or start a booking with an empty search.

1. Once in Amadeus Hotel Store, follow the booking process by:
 - a. **Searching** for hotels in a specific destination or use an IATA City Code.
 - b. **Selecting** a hotel.
 - c. If this is the first time you perform a booking via Amadeus Hotel Store then it could be that your profile information is missing. You will then be displayed an **information box** that only have to fill out once so that Transhotel can send your administrative documents.
 - d. **Validate** your booking by accepting the terms and conditions.
 - e. Enter your **customer's details**.
 - f. Select your **method of payment**.
 - g. **Print the voucher** and confirmation documents.
2. Go back to the **Amadeus command page** where your hotel reservation is now displayed.
3. **Save and close the PNR.**
