

Amadeus

Classroom Training

Services & Consulting

Everyone learns differently. And at Amadeus, we are committed to helping our agents gain the comprehensive knowledge needed to build a profitable business. By designing training programs that meet the highest standards for learning, Amadeus ensures you reap the benefits of traditional, instructor-led classroom training. Join us at any one of our regional training centers in Miami, Los Angeles or San Francisco. Courses are available in both English and Spanish.

Gain valuable insight and expertise with Amadeus Classroom Training

Learn from top-notch industry experts

Amadeus Classroom Training gives you a unique opportunity to ask your most pressing questions—and get the answers immediately. Our qualified and talented instructors provide you with indispensable industry knowledge to help you hone in on the skills you need to succeed as an Amadeus agent.

By participating in interactive discussions with real-world scenarios, you can more easily transfer the knowledge and skills you acquire to your job. With targeted advice and concrete illustrations, our instructors ensure course content makes sense to everyone in the classroom.

Sharpen your skills with targeted content

Classroom courses are tailored to specific audiences—conversion agents, owners and managers, and travel professionals who perform specialized job functions like scripting or working with negotiated fares. Whether you are at an introductory, intermediate or experienced level, Amadeus has the right course for you.

To help you plan your time away from work, Amadeus provides classroom course descriptions and updated schedules.

Acquire knowledge through sharing

Sharing experiences and perspectives make the training more valuable. You not only learn about Amadeus products and

functionality, you build relationships with Amadeus experts and connect with other agents who face the same challenges.

Experience a comfortable, distraction-free environment

When you attend Amadeus Classroom Training, you're removed from daily responsibilities and interruptions so you can focus on learning. Our instructors foster interaction in a comfortable environment. Our ergonomic classroom furniture is designed for your comfort during your classroom training session. All classrooms are equipped with state-of-the-art computers and laptop access. Our regional training centers are centrally located and minutes away from major airports. Maps with driving directions are available on our Web site, Amadeus e-University® Campus.
